RE: The Gun Room, Lakewood, Colorado 80214

My name is John McCutchan. I am a Realtor and have lived in Evergreen, Colorado for 15 years. Prior to that time I lived outside of Indianapolis, Indiana. During the 1960's I was on active duty in the U.S. Marine Corps for seven years and attained the rank of Major. During the last few years I have been selling my gun collection. I have done business with many gun dealers over the years and George and his staff at The Gun Room are the most competent and honest people I have ever encountered. The maintenance, repair, and liquidation of my collection would have been extremely difficult without their assistance and expertise.

If you have any questions don't hesitate to contact me.
Sincerely, John M. McCutchan (303)- 679-2614
